

I support media diversity

I am writing to you to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. The FCC should not further limit and narrow the ownership of media companies. Instead, as representatives of the American public, you should be working in the opposite direction: to further OPEN the channels of public communication for the free exchange of ideas from all viewpoints. This is not a partisan issue. Free exchange in the marketplace of ideas is guaranteed by the First Amendment and it necessary for a functioning democracy.

Thank you,
